**Subject:** [EXTERNAL] Thank you!

Hi Jim,

First, I owe you a big apology for not being available the last few times you have stopped by. We are growing and my duties as a staff trainer and other meeting obligations are frequent. I hope you understand. The good news about growth is that we are able to serve more families.

On behalf of our entire staff, I wanted to thank you and your group for the beautiful, beautiful donations you have made to the Arizona Diaper Bank's event and donor gifts. Many of your group's items proved to be that attractive addition to our Silent Auction.

The wooden pens in the specialty boxes are amazing! We put bowls together to create specialty "Salad Sets".

So, thank you all so much for your generous and creative support. When you know you are coming by, send me an email, and I will try to be available! 😊
